

SPIN AND SCULPT- DENISE PHILLIPS

This is a group exercise class combining stationary bikes and weights. During the class, the instructor simulates hill climbing, sprints, and races. You will be kept motivated by the instructor, the people around you, and the music. Get prepared for a great workout! Water and towels are a must!

KETTLEBELL-DAVID LEARD

For those new to Kettlebell training. A great class for cardiovascular, core and functional strength all in one workout.

SENIOR FITNESS/SILVERSNEAKERS-MEGAN, JILL, SUELLEN, CAROL ANN , CHERRY

This class is primarily for our older adults. Have fun and move to the music through a variety of exercises designed to increase muscular strength, range of motion, exercise tolerance and mobility. We use hand held weights, elastic tubing with handles and a SilverSneakers ball and a chair is used for seated or standing support.

DANCE AEROBICS -JEAN KIDD

A dance exercise class that is good for your body and your brain. Simple dance steps are taught to music designed to lead participants through a warm-up, a cardiovascular workout, and a cool down phase. Music and step combinations change after each 10-week sessions.

BOOTCAMP/FREESTYLE-Tess Nordick

This class is designed for all levels. Every exercise can be modified to fit your physical need. A great combination of cardio, strength and endurance.

SCULPT -PATTY NORMAN

A 50 minute circuit workout where you use different muscles that will blast fat and tone your entire body.

YO FLEX- TINA HOWARD

Basic standing yoga poses focusing on repetition and breath combination, followed by 10 minutes of balance work, closing out with Pilates then stretching. Tones, balances and sculpts the body while increasing flexibility.

YOGA-ANGIE PUTMAN

This class lets your body be your guide. No single pose is required and modifications are available for every pose letting you determine when you're more flexible or ready for more challenging poses.

GROUP POWER—TESS NORDICK and PAM KAVULIC

A results driven strength training workout utilizing an adjustable barbell, weight plates, and body weight. Add to this dynamic and motivational music and it simply is the most fun you'll have strength training.

EXPLORE YOGA--RHIANNA VOGAN

Have you ever wanted to try Yoga but felt nervous about being a complete beginner? Then this class is for you! Each class will be a bit different. We will practice different styles of yoga and meditation, while learning how to do key poses.

FUSION (MUSCLE MEETS YOGA) -DAWN HINSHAW

Heart-pumping, ultimate full body workout using: gliders, resistance bands, benches, dumbbells and the body bar, you will lengthen and tone your body and create long, lean, strong functional muscles that will complement all lifestyle activities. Wear shoes and socks and bring your yoga mat. This class is for all levels.

CARDIO KICK -PAM KAVULIC

Take your fitness to another level with this awesome combination of cardio mixed with punches, jabs and kicks. A class designed for all fitness levels to get the heart rate up and body moving.

BACK TO BASICS--DAWN HINSHAW

This class offers a **deliberate and slower-paced Vinyasa Flow**. It is ideal for yogis just starting out or those that want to spend a little more time with their practice, postures, and alignment for a deeper exploration of the body, mind and breath connection. This class is for all levels.

YOGA Flow ---MEGAN SMITH

This class begins with a flow sequence that will strengthen, lengthen and warm the muscles followed by a deep stretch and relaxation period.
