CAMPAIGN UPDATE

The capital campaign for the Walton YMCA is in full swing and we are getting closer to reaching our goal of \$15,000,000! We are grateful to our community leaders for futhering the vision to make this YMCA a reality. This month, members of our steering committee are reaching out to the Walton community to get more involvement in the campaign.

AQUATICS FOR ALL

When we say our purpose is deeper than a pool, we mean it. Building a state-of-the-art natatorium will benefit people from all walks of life in Walton County. From swim lessons to aqua aerobics, from aqua therapy to swim teams, the YMCA pool will provide the opportunity for youth and adults alike to learn the life-saving skill of swimming in a safe and fun environment. At the YMCA, everyone can take part in a healthy and active lifestyle.

MAKING DREAMS A REALITY

Over a decade in the making, the vision of building a YMCA in Walton is now becoming a reality. The dream has now matured into fundraising, community recruitment and architectural plans. We are so excited to share the final plans for the Walton YMCA facility! With fundraising currently at \$12,025,000, this beautiful, state-of-the-art building will soon become a place for all in Walton to connect with others while working to become the best version of themselves. Our committee members are proud to release these plans for the Walton YMCA and are expecting to break ground on the 38-acre project in the first quarter of 2022.
