DECEMBER 2021

MAKING DREAMS A REALITY

Over a decade in the making, the vision of building a YMCA in Walton is now becoming a reality. The dream has now matured into fundraising, community recruitment and architectural plans. We are so excited to share the final plans for the Walton YMCA facility! With fundraising currently at \$12,025,000, this beautiful, state-of-the-art building will soon become a place for all in Walton to connect with others while working to become the best version of themselves. Our committee members are proud to release these plans for the Walton YMCA and are expecting to break ground on the 38-acre project in the first quarter of 2022. There is so much to celebrate as 2021 draws to a close and we look forward to building a bright future for a healthier Walton!
