

FALLING INTO PLACE

OCTOBER 2023

BUILDING CONSTRUCTION TO BEGIN SOON

Things are falling into place at the construction site of the new Walton County YMCA! As we are approximately one year following our groundbreaking ceremony, we are also just over one year preceding our anticipated grand opening! These are exciting times for the greater Walton community as we anticipate the new YMCA to be the hub for health and wellness in the area.

JOIN OUR \$1,000 DONOR WALL

Fundraising efforts are continuing with fervor as year-end approaches. Our board of directors would like to remind the community about the opportunity for individuals and businesses to be included on the donor wall inside the YMCA lobby. To be recognized on the donor wall, a minimum \$1,000 to the Walton County YMCA capital campaign is required. This wall will be displayed prominently inside the YMCA lobby for thousands of community members to see.
