

The YMCA of Georgia's Piedmont has a vision to have more youth, adults, seniors and families learn, grow and thrive together by focusing our work in three key areas of **Youth Development**, **Healthy Living** and **Social Responsibility**.

YOUTH DEVELOPMENT

With the Y's help, kids are more interested in learning and making smarter life choices. At the Y, kids learn their ABC's, learn to share, learn about sportsmanship, build leadership skills and most importantly, learn how to be themselves. That makes for **confident kids today and contributing and engaged adults tomorrow.**

HEALTHY LIVING

Because the Y is for everyone, we **bring together children, adults and families of all abilities** like no other organization can. As a result, thousands of individuals are receiving support, guidance and resources needed to achieve great health and well-being for their spirit, mind and body.

SOCIAL RESPONSIBILITY

Thanks to the generosity of volunteers and public and private donors who give to the Y, our community is stronger. Every day, we work side-by-side with our neighbors to ensure that **everyone, regardless of age, income or background, has the opportunity to reach their highest potential.**
