Mission Statement: "To put Christian principles into practice through programs that build healthy spirit, mind and body for all."

Geographic Service Area: Northeast Georgia including Barrow, Jackson, Walton, Hart, Elberton.

Who We Are: Serving families has always been at the heart of the Y. We are a place where everyone comes together, regardless of social, economic and educational challenges. We have a fundamental desire to provide opportunities for every family to build stronger bonds, achieve greater work/life balance, and become more involved with our community

Our Impact: We serve more than 10,000 people per year and provide up to \$200,000 in financial assistance for our programs and services.

The YMCA of Georgia's Piedmont has a vision to have more families spend time together, learn together, grow together and thrive together by focusing our work in three key areas, Youth Development, Healthy living, and Social Responsibility.

Youth Development

With the Y's help, kids are more interested in learning and making smarter life choices. At the Y, kids learn their ABCs, learn to share, learn about sportsmanship, build leadership skills and most importantly, learn how to be themselves. That makes for confident kids today and contributing and engaged adults tomorrow.

Healthy Living

Because the Y is for everyone, we bring together children, adults and families of all abilities like no other organization can. As a result, hundreds of individuals are receiving support, guidance and resources needed to achieve great health and well-being for the spirit, mind and body.

Social Responsibility

Thanks to the generosity of volunteers and public and private donors who give to the Y, our community is stronger. Every day, we work side-by-side with our neighbors to make sure that everyone, regardless of age, income or background, has the opportunity to learn, grow and thrive.

Give, Join, Volunteer

Donations are accepted at our website, at the YMCA or via mail. Contributions can also be directed towards our endowment fund, creating a legacy for year to come. Capital projects and building fund donations are also welcome. Volunteers may assist with events and programs throughout the year.
