

# WHERE COMMUNITY COMES TOGETHER

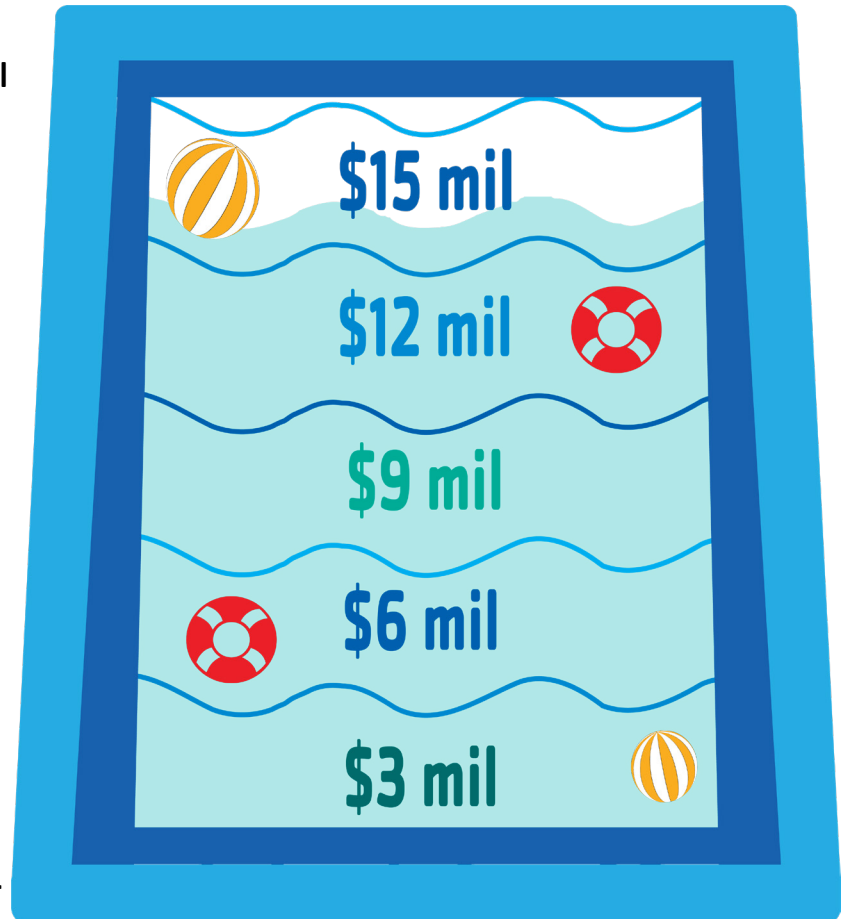

SEPTEMBER 2023

## THE CAMPAIGN CONTINUES

The quest to complete the Fill the Pool Fundraiser continues at the Walton County YMCA! With a goal of raising \$15 million, we currently have over \$13.5 million raised. This is a phenomenal feat from the community and we are so blessed to be welcomed into Walton County.

Each and every donor, no matter the size of their gift, has helped us get to this phase. Site work is wrapping up and construction on the building will begin this year. From the start of building construction, we estimate that in one short year, the YMCA will open its doors and change lives for the better!

To help us reach our goal, please join in our Fill the Pool Fundraiser! Donating just \$5 equals one gallon of water to fill the pool. Become a donor today and help bring your community together for good.
